

REMARKS

Claims 1-19 are pending in the application.

Claims 1-19 stand rejected over the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-13 of U.S. patent 6,560,347.

Enclosed is a Terminal Disclaimer and Statement under 37 CFR 3.73(b) executed by the common assignee of the subject application and of U.S. 6,560,347. Also enclosed is the fee in the amount of \$130 for filing the Terminal Disclaimer.

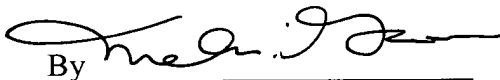

The foregoing documents should overcome the rejection of the obviousness-type double patenting.

The application should now be in condition for allowance.

Prompt and favorable action is requested.

Respectfully submitted,

Dated: February 28, 2005
